ARMY Declass/Release Instructions On File

Dear Doctor Cunningham:

Since I understand that the Director of Training in your Agency has responsibility for arranging for Central Intelligence Agency speakers, I would appreciate your assistance in extending the attached formal invitations to five officers in the Central Intelligence Agency.

On 8 February 1972 at the Army War College, we are conducting five interdepartmental country panels on the countries of Brazil, Ethiopia, Guatemala, Thailand, and the Philippines. The purpose of the panels is to present to the current Army War College class various aspects of internal defense and development and insurgency as they apply to the particular country for which they are responsible. In addition to Central Intelligence Agency representatives, there will be representatives from the Department of Defense and the Department of State. The sessions will be held in both the morning and afternoon on 8 February 1972, so we are inviting the participants to arrive by 6:30 p.m. on 7 February to take part in a working supper for purposes of coordination.

Mr. Clark W. Simmons, your service representative to the US Army War College, provided me the names of your representatives and keeps in close liaison with the course coordinator on their participation.

A member of the Army staff in the Pentagon, Lieutenant Colonel Daniel D. Harris, Jr., extension 55966 or 55579, is acting as overall coordinator for transportation between Washington and Carlisle Barracks. He has been given the name of [redacted] in your office and should contact you soon, if he has not already done so.

Thank you for your cooperation.

Sincerely,

Franklin M. Davis
